

## **Verigy Environment Health and Safety Policy**

**“Protect the environment and health and safety of our employees, customers, suppliers, partners and communities where we operate.”**

We implement this policy through the following actions:

- Comply with environmental, health and safety laws and regulations in the countries where we operate, sell and service our products.
- Inform contractors and suppliers of our environmental, health and safety expectations and encourage them to adopt sound environmental, health and safety management practices.
- Implement solutions that minimize pollution and safety risks as applicable.
- Integrate EH&S management into relevant business processes.
- Review EH&S performance periodically to assure suitability, adequacy and effectiveness.

Update May 2006
